What began, as Upper Midwest Filmstrips eventually became Upper Midwest Videos is today Upper Midwest Media. As educational technology changes we upgrade and continue to provide the most extensive, in-depth, quality educational content on The Great Lakes states of The Upper Midwest. We are constantly adding new content, expanding the resources available to educators, and improving our service. Now and into the future you can look to Upper Midwest Media as the source of regional video to enlighten young minds. Based in Ann Arbor, Michigan we are passionate about our product. Every title is a labor of love about the history, people, and places we have grown up with in our beautiful and unique corner of the United States. The collection is a product of countless hours of research and production. The result is concise titles that provide unique insight into pertinent topics in our region.
